Unlimited treatment options, zero pain  
and with no downtime.

The **ZYE XD<sup>®</sup> Protocol** is a new LASER concept in combination treatments.

# Characteristics

---

## Versatile

Combines various treatments among the VYDENCE® Medical technologies family

## Custom-made

Adaptable parameters to each patient and for all skin types

# Characteristics

---

## Easy to perform

Lunchtime procedures, any time of the year,  
no recovery time  
(depending on the treatment)

## Unique

Exclusive for ZYE® technology

# What are the possible treatments with the ZYE XD<sup>®</sup> Protocol?
